

The Word One to One

The Word One to One takes you through a section of the Bible called John's Gospel, an eyewitness account of the life of Jesus, written by one of His closest friends.

The notes have been designed for you to explore the Bible, helping you read, ask questions and discuss what it says together with another Christian.

If you don't know any Christians, we'd love to connect you with one so that you can read together, either locally or online. Contact the church office or fill in a Connect form on our website (details at bottom of page)
