Find hope that lasts

... it's closer than you think

During these past 18 months we have all hoped for many things; that lockdowns would end, that we would be free, that loved ones would be safe and for hundreds of other things. We need a hope that can see us through, which is more than wishful thinking, which will not let us down and a hope that will last. There is such a hope. It's closer than you think!

Who might be ready to be invited?

Today

10.30am Shepherd Leadership - 1 Peter 5: 1-4
5.30pm Living in Love and Faith part 4
