Following on from **Partnership Sunday** last week, we have the opportunity to update the Church Directory and Prayer Diary. The form can be found here: <https://bit.ly/3qocFio> or via the QR code on the right. Alternatively, paper forms are available from the Information Point. Please place it in one of the red boxes at the back of church and in the foyer. The deadline for returning these forms is Sunday 30th January.

It is also possible and helpful to join the Electoral Roll (similar to a Church of England membership list). The greater the number on our ER, the greater representation we have at the deanery synod. The forms are available at the Information Point.

It's not too late to join **Hope Explored** as it meets over the next 2 Thursday evenings at 7.30pm answering the question: what's the best future you could ever imagine? Contact Andy Nash for more information ([REDACTED])

Thank you for all the cooperation with masks and distancing. It is such an encouragement to be able to keep meeting safely. Just a reminder of the steps we are taking:

- Wearing face masks in all inside activities except where eating & drinking or if a person has an exemption
- Keeping rooms well ventilated
- Keeping rooms and toilets sanitised with hand sanitiser available
- Encouraging people to stay at home if they have Covid symptoms.
